1956

HERE'S the
POINT

By SPENCE HELD

He's one of those handy guys around the house.

He can't fix a leaky faucet or abate the roar of mighty waters in the bathroom and he detests yard work—but occasionally can be drafted to carry out the garbage or the trash.

The other night this guy opened the door from the kitchen into the garage and manfully shouldered a box of tin cans, etc. Marching back through the kitchen with his burden he thought something fell to the floor and paused to investigate. "EEE!" screeched his wife as a mouse scurried across the floor and hid behind the refrigerator.

Their teen-aged daughter tried to flush the mouse while he stood poised with a broom. She released a cloud of pungent odorant or deodorant behind the refrigerator—but the mouse refused to budge. So she loosed another, more powerful "perfume."

It stunk up the joint, all right but still no mouse.

He tried to brush it out with the broom. Same result.

Finally his wife baited a trap with cheese and set it in a strategic place.

Next day the cheese was gone. She reached for the trap and it snapped on her fingers.

Wow!
(Moral: Don't carry out the trash through a convenient kitchen—you might drop a mouse in the house.)

I watched the championship pro football game between the L. A. Rams and Cleveland Browns on TV Monday, Otto Graham, of Cleveland, again demonstrated that he is a complete quarterback; he can run and pass and probably block and tackle if necessary.

Norm Van Brocklin, Ram quarterback, doesn't run with the ball. When he dropped back into the protective "cup"—more like a sieve, huh?—it was obvious he was going to throw whereas with Graham there was the deceptive option of a run or pass.

Once, when a Cleveland guy intercepted one of Van Brocklin's tosses and ran for a touchdown, Van was a futile figure indeed. His attempt to cut off the runner looked feeble for a pro.

The highlight, for me, was Van Brocklin's long pass to Skeet Quinlan and Skeet's brilliant touchdown dash—there's a boy who really can go. The former MCRD and State College flash apparently was hurt just before the end of the first half and didn't play again, as far as I could see, and his absence hurt the Rams.

Comes now the Rose Bowl. I'm for UCLA, naturally, and figure they're good enough to win. But Michigan State had the incentive of a trip to "glamorous Hollywood" to spur its post-season training, while UCLA had—what?

I used to go to the Rose Bowl games during the 1920's and 1930's but finally got tired of fighting the traffic.

The first one I saw was the 1921 game when the 1916 state championship San Diego High team defeated Ohio State 28-0. Yeah, there were seven or eight SDHS boys playing for Cal, including Brick Muller, Pesky Sprott, Carl Deeds, Walter Eels, Stanley Barnes, Karl Engbrechtsen and Cort Majors.

Muller, an end, threw a tremendous pass to Brodie Stephens for a touchdown. It's in the record books as 53 yards, I believe, but Muller was 15 or 20 yards behind the line of scrimmage so the ball probably traveled about 70 yards.

Anyhow, none of the Ohio State guys were near Stephens—they didn't think anybody could throw that far.

BANK HAS YULE PARTY

Dick Curtiss, 3854 Atascadero, appeared as an assistant Santa Claus when the San Diego Trust and Savings Bank presented its 40th Christmas party for the children of the firm's employees. This is the town's oldest company party. In the largest celebration to date, Santa and three helpers distributed candy canes, gifts and refreshments to 200 employees and their children.

Installed By
O. B. Kiwanis

Russ Wilson, president, and other new officers and directors of the Ocean Beach Kiwanis Club were installed Tuesday night in the Kiwanis Youth Activities Building.

Present were about 90 Kiwanians, wives and guests. Dr. W. A. "Pep" Pepin, lieutenant-governor of Division 21, was the installing officer, and Dr. Winton B. Oster, past lieutenant-governor, presided.

Frank F. Swan, outgoing president, reviewed the club's accomplishments during 1955, including completion of the Youth Activities Bldg.

The club's 1956 theme is "Build As Free Men," and objectives include the following:

"1—Rededicate ourselves to the strengthening of home, church and school.

"2—Combat the causes of juvenile delinquency and intensify constructive services to youth."

Incoming officers, besides Wilson, are Edwin Peterson,

first vice-president; Harold Mills, second vice-president; Henry W. "Hank" Voss, treasurer, and Clyde Wood, secretary.

Directors for 1956 include Russell M. Bement, G. E. "Buddy" Faber, H. F. Holloway, Joseph J. Kenneally, Ray Perine, Don Pollock, William H. Stegeman and Frank F. Swan.

Group singing at Tuesday night's dinner meeting was led by David Pain. James W. Overby, visiting here from Iowa, sang three tenor solos.

TASCH DISPLAY THIRD

George A. Tasch, of 1540 Chatsworth Blvd., placed third in the annual home decoration contest sponsored by the Junior Chamber of Commerce. The Tasch display, a Nativity scene, was last year's winner.

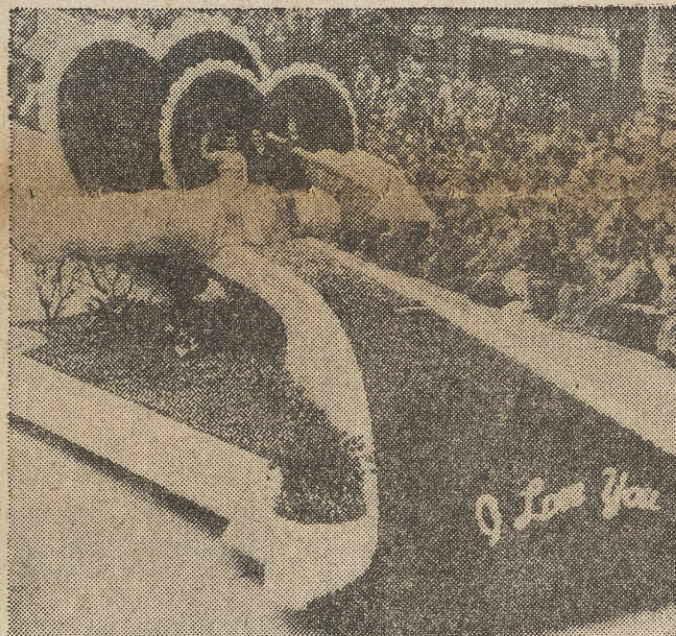

MILLIONS TO SEE FAMED ROSE PARADE ON JANUARY 2

THIS TYPICAL ENTRY in an early Pasadena, Calif. Rose Parade is a far cry from lavish floats of today. Some 60 million persons will see the famed pageant on Jan. 2, when NBC telecasts it nationally.

PRESENT-DAY FLOATS are products of skilled artists, designers and craftsmen. The metal frame is covered with chicken wire, sprayed with plastic "coconing," then covered with flowers.

ONLY FRESH FLOWERS and greenery may be used on floats. A single float may cost \$20,000 and use 300,000 flowers—all hand-attached by corps of workers during the day and night preceding the Parade.

ADDED DELIGHT to viewers of the Rose Parade are the bevy of beauties, shapely majorettes, smart bands and equestrian units. Parade starts at 9:15 a.m., Pacific Standard Time, and lasts two hours.

Church Reaches
First Objective

Announcement that the Ocean Beach Seventh-day Adventist Church has reached its first objective in raising \$75,000 in cash and pledges for its new church building, was made this week by R. E. Delafield, pastor.

"This is the realization," he said, "of Phase No. 1 in the church-building project. Phase No. 2 will be the actual raising of considerably more funds to complete, equip and dedicate to God free of debt the building in 1956."

"On Monday night, Jan. 2, the accomplishment to date will be celebrated."

The building will be erected at W. Point Loma Blvd. and Bacon St. For two years the congregation has been holding services in Point Loma Methodist Church.

Pastor Delafield said: "The church members have worked earnestly for their Master during the two-month campaign just ending. They are deeply grateful for the kind and liberal assistance of friends and others in the community who have so graciously given toward this church building project."

PAUL RICHARDS VISITS
RELATIVES IN O. B.

Mr. and Mrs. Paul Richards and daughter Paula, of Waxahatchie, Tex., were holiday guests of Mr. Richards' nephew, Stanley Bolton, and family of 4426 Mentone St. Richards is general manager of the Baltimore Orioles of the American League.

MARCH OF DIMES TO START
ON PENINSULA NEXT TUESDAY

San Diego County's 1956 March of Dimes will get under way next Tuesday and continue through the entire Month of January.

Dick Swanson, chairman for Ocean Beach, will be in charge of the fund raising campaign in this area and he has great hope of surpassing last year's donations toward the fight against crippling infantile paralysis by thousands of dollars.

Swanson said that the 1956 campaign is of especial importance because many ask why, now that medical science has worked its wonders with the Salk Vaccine, should we go on giving support to this cause?

"The answer is," he said, "that polio is not licked yet. Science has won a battle, not a war, and there's still much to be done before we have finished the fight. There are in fact several reasons why the need is as urgent now as ever before."

Santa Claus Visits
Randy Thayer Again

Ocean Beach Moose Lodge "adopted" Randy Thayer, 4, of Ocean Beach, for Christmas evening.

Santa Claus visited Randy at Mercy Hospital and brought many toys and presents for him and the other children in the ward.

This was Santa's second trip to see the boy, who was injured seriously when hit by a truck on Voltaire St. Oct. 14. The previous visit had been arranged by the Ocean Beach Chamber of Commerce.

San Diego Lodge 35, F. & A. M., officiated at funeral services for Dr. Lyle M. Burkett, 47, Ocean Beach dentist, Tuesday at Beardsley Funeral Home. Burial was in Ft. Rosecrans National Cemetery.

Peninsula PERSONALITIES

By AVIS STONE

A birthday party was given by Mr. and Mrs. Gene Austen in their home at 4812 Muir Ave. to help their daughter, Mae Louise Austen, celebrate her 6th birthday.

Guests at the happy event included Debbie Winkler, Jimmy Flowers, Art Derrick, Barbara

Carol, Jean Boyd, Steven Lyman, Kairen Logan, Pattie Sloper, Steven Hodge, Carlye Logan, Tommy Voss, and sister and brother, Sharon and Chuckie Austen.

Lt. (jg) and Mrs. Daniel O'Leary are newly-weds here from New York City who enjoy the change in climate very much although they missed being with their families this Christmas. At present they are residing in the 4800 block on Muir Ave.

Another newly-wed couple have taken up residence in the 5000 block on Muir. They are Mr. and Mrs. Martin P. Kruger whose large wedding which was followed by a reception at the L. Valencia in La Jolla, took place earlier this month.

Mr. and Mrs. Marion Davidson have traveled from Honolulu to spend the holidays with relatives, Mr. and Mrs. George West and the David Redden family, of Lotus St.

George Stone (Pebble) is really hopping about these days, in fact, he is fast earning the name of "Pogo." It all came about because of an injured ankle that was first thought to be merely twisted. After several hours of hobbling about, the ankle became quite swollen and painful. X-rays showed no break in the bone, but blood vessels broken by the turn and the severity of the sprain called for a half-cast on the ankle.

This Holiday Season finds many families who are new to this area, happily getting settled in varied surroundings.

To some it has been a journey of many miles as in the case of Mr. and Mrs. E. Wayne Watkins who traveled from San Gabriel, with their 15-year-old son, to move into their new home on Bernice Drive. Mr. Watkins is employed at the 11th Naval District.

To others it has meant the short trip of a few blocks into their new home and such has been the case of Mr. and Mrs. John Jenkins who have moved into their home on the 4500 block on Brighton Ave.

Mr. Jenkins retired from the Navy about 6 months ago, and the family, which includes four children, John, Bill, Bobby, and Patricia, have lived here off and on for the greater part of their lives.

Mr. and Mrs. Lester Shaw and their daughter and son-in-law, Mr. and Mrs. Robert Gilmore, have found a solution to their housing problem with the joint purchase of a duplex on Long Branch Ave. The Gilmores have a 19-month-old son, Robert, who finds great pleasure in living right next door to such nice grandparents.

Kris Allen Brown seems a very suitable name for the baby boy who chose to make his entrance into the world so close to the Christmas season. To be exact, it was shortly after 3 in the afternoon of Dec. 13, that Kris was born at Balboa Hospital to Mr. and Mrs. R. D. Brown, who reside at 1725 Sunset Cliffs Blvd. The new arrival is greeted in the nursery by a sister Radonda Rae.

M/Sgt. Leonard Wright is finding it a bit difficult but necessary to lead a "take it easy" life for awhile. He has recently returned to this area from San Francisco where he had been hospitalized for approximately four months following a heart attack. With him is his wife, Arlene, and their two sons, Douglas and Bruce.

MIDWAY ADULT CENTER Kearny Adult High School and Midway Adult Center announce that classes will resume at all seven locations the week of Jan. 3rd. The first semester will close on January 27th, however new students may enroll at any time. Several new classes, including Writing and Journalism, Public Speaking, Literature, and Spelling and Vocabulary, will be added to the program at the Midway Adult Center for the second semester. Call AC-3-1671 for additional information after Jan. 3rd.

Christmas Program Held By Pack 28

Boys of Cub Pack 28 held their Christmas program Monday evening, Dec. 19, in the Oceana Beach School Auditorium. The program was opened by everyone singing "God Bless America." Awards were presented by Cubmaster Jim Thrailkill.

Den 7 sang "Jingle Bells," accompanied by Greg Bryant on the piano. Each Den decorated the tree with decorations made in Den meetings. World of Friendship fund was accepted from each Den for organizing scout units overseas. Patty Thurman "Miss Toys For Tots," and Capt. Schultz of the 1st Tank Battalion, U. S. Marine Corps were there to thank the Cub Scouts for all the toys they gave. Martin Belt played "Silent

Torrey Pines Road Races Scheduled

The 1956 sports car competition season will open January 14 and 15 with the 7th running of the Torrey Pines Road Races, co-sponsored by the San Diego Junior Chamber of Commerce and the California Sports Car Club. Jaycee chairman Bill Gilchrist announced.

A 6-hour endurance classic is billed Saturday, Jan. 14, with a full program for large and small sports cars set for Sunday, Jan. 15. The enduro is the third of its type to be run, and figures to easily attract its limit field of 70. Both programs Night "on the accordion, Gary Moore played "The First Noel" on the violin, and Den 8 sang "It Came Upon The Midnight Clear." Santa Claus finally made his appearance and presents and candy were given to all Cub Scouts.

will start at 11 a.m. Entries are now in the mail, with the likelihood that some 300 drivers will sign up for action during the two-day affair, Gilchrist said. All types of foreign and domestic sports cars will race over the nine-turn, 2.7-mile course located just north of La Jolla. The La Jolla Hotel has been named official race headquarters.

Race officials are hopeful that the victors from the recent sports car events in Nassau will participate in the Torrey Pines

WHO'S NEW IN POINT LOMA

Experience is the best teacher, 'tis said, and art students, Mr. and Mrs. Dean Winfield Jr., are getting much of same, re-decorating the home they just bought in the 3400 block on Hill street. Both attend State College.

It's a spacious new home for Mr. and Mrs. W. C. Fogarty, whose new address is in the 3700 block of Curtis St. The family includes two young daughters, Carol Ann and Gail Kay. Mr. Fogarty is with an oil company here.

Mr. and Mrs. Winthrop S. Tucker, 4483 Niagara St., have moved into their new home in the 3500 block of Garrison St. They have two small children, Toni Suzanne and Stuart. Mr. Tucker is a purchasing supervisor for a local aircraft company.

It was a short move for Mr. and Mrs. H. A. Bischoff, 3403 Freeman St., when they moved into their new home in the 3700 block on DuPont St. Mr. Bischoff is a State tax appraiser.

Already "feeling very much at home" in their new location in the 3400 block of Freeman St. are Mr. and Mrs. W. N. Armstrong, who moved to Point Loma from Pacific Beach.

The Armstrongs have two children, Sherill, age 6, and Tommy, age 9. Mr. Armstrong is in the public relations and advertising business.

From Alhambra comes Mrs. Mary T. Hilleary, who has taken an apartment in the 600 block of Catalina Blvd. "I'm so happy to be here because I'm near my son and daughter-in-law, Mr. and Mrs. Bertrand Hilleary, and my grandchildren, who live at 3725 Warner St. I have four children, Sterling, age 11; Kathy, 9; Michael, 6; and Timothy, 3; said Mrs. Hilleary.

Returning to San Diego from Pasadena are Mr. and Mrs. Orval Paine and their two sons, Richard and Robert. The Paines bought a 3-unit dwelling in the 1500 block of Locust. With all the confusion of moving, they had the added difficulty of a broken arm for nine year-old Richard who fell from a stone wall in back of their home.

Mr. and Mrs. Charles H. Benton from Mt. Soledad, Calif. have moved into their new home in the 3200 block of Sterne St. They are enjoying their "new view."

CALIFORNIA PUBLIC SCHOOLS APPROVED IN OPINION SURVEY

Sixty-three percent of the people of California approve generally of "the job the public schools are doing in educating children these days," and over 15 percent more approve with some reservations, the Public Relations Advisory Panel of California Teachers Association declared today on the basis of an opinion survey taken in a typical California city last August and just made public.

The survey, sponsored by the CTA at the request of the panel, was conducted by the Institute for Journalistic Studies of Stanford University, which selected Fresno as the typical community to be studied. It revealed that less than 14 percent disapproved of the work the schools are doing and less than 8 percent had no opinion.

In announcing the results of the poll in which 623 voters were questioned, the panel, composed of four educators and three businessmen, declared:

"School people should take deep satisfaction from the results of this survey. The existence of this reservoir of public confidence in the schools should provide renewed inspiration to all who are engaged in the task of educating boys and girls. It should likewise encourage them constantly to seek further improvement in the teaching process along every possible avenue."

Despite the strong favorable attitude of the public, as indicated by the study, the panel cautioned that it "should not produce an attitude of complacency on the part of school administrators and teachers."

"It is still essential," said the panel, "that the public be made aware through all channels of

communication of what is being taught, how it is being taught, and what the schools are accomplishing."

Children's Book Show Is Planned

The Biennial Children's Book Show, one of the most outstanding exhibits of children's books ever gathered, will be at the San Diego Public Library, 8th Avenue and E street, during January. The display, sponsored by the American Institute of Graphic Arts, is composed of representative books published during 1953-54.

Judged by a jury charged with the selection of children's books in terms of typographic merit, certain rigid standards were imposed before any title was chosen. Emphasis on the physical aspect of the book—quality of paper, reproduction, printing and binding—was weighed in relation to the retail selling price. The literary merit was considered only insofar as it was reflected in the design.

The books will be shown in cases in the main lobby. The exhibit is traveling through the country until time for the new one which will feature books of 1955-56.

Foxworthy-Condon Wedding Tonight

Miss Barbara Louise Foxworthy and Robert Martin Condon will be married tonight, Dec. 29, at 7:30 in the Point Loma Community Church. The Rev. S. Dean McBride will officiate.

The bride is the daughter of Mr. and Mrs. George Marion Foxworthy, 3794 Poe St. The bridegroom is the son of Mr. and Mrs. Percy J. Maidment of Lakeside.

Miss Beverlee Deem will be the Maid of honor. Bonnie Benjamin will be best man. The bridesmaids are Misses Ann Russell, Janney Daugherty, Susan Fay and Linda Marks. Ushers will be John Dimatteo, Jerry Nelson, William Rustad and Richard Bliss.

After the wedding ceremony a reception for 250 guests will be held in the Lanai Room at Kona Kai Club on Shelter Island. The couple will be at home at 6191 Montezuma Road after a short wedding trip.

Legion Commander Due Here Jan. 4

J. Addington Wagner of Battle Creek, Michigan, national commander of the American Legion, will make his official visit to California during the first week of January.

The Legion chief will start his California visit by attending the Tournament of Roses and the Rose Bowl football game on January 2nd as a guest of the Tournament of Roses Committee.

Wagner's first appearance before an American Legion gathering will be on January 3rd when the National Commander will be the honored guest at a luncheon at the Biltmore Hotel in Los Angeles. Attending the luncheon will be Legionnaires and Los Angeles civic officials.

On January 4th, the Legion chief will speak at a luncheon sponsored by the San Diego

Realty Board at the U. S. Grant Hotel.

Accompanying Commander Wagner will be his wife and son, and the Commander's pilot Jim Parham and his wife. The Commander's party will be flying in his private plane.

The Annual Meeting of members of the church will take place Tuesday evening, January 3, in Wallace Hall. Heads of church organizations will report on their activities for the past year, and the Bishop's Committee for the coming year will be elected.

Friday, January 6, Feast of the Epiphany, there will be celebrations of Holy Eucharist at 6:30 and 9:30 a.m.

Family Reunion At Insko Home

The Insko home at 4475 Del Monte Avenue was the scene of a family reunion on Christmas eve. There were 21 Inskos present, and no one was missing. A turkey dinner was served and afterwards came the distribution of gifts from the

Christmas tree, and the taking of family pictures.

Those present were the host and hostess, Dr. and Mrs. Myron Insko, who were celebrating their 40th wedding anniversary on Christmas Day; their four sons, Chaplain Myron C. Insko, LCDR, USN, Mark L. Insko, Wyatt C. Insko and Lamont A. WHAT'S DOING

D. W. Lewis, your Telephone District Manager in San Diego

1956 will be another big year in telephone progress

This coming year, we plan to put a record \$385 million into new construction and service improvements to serve the Pacific West. We expect to add new equipment of all kinds to make your telephone service even better and to provide new service for the ever-growing number of people here. More lines to carry Long Distance calls and television programs; Direct Distance Dialing from more towns to places as far away as Philadelphia, Chicago and Milwaukee; more colored phones and hands-free Speakerphones. These are a very few of the many things in our continued program to keep pace with the growing West. In the year ahead you'll see plenty of reasons why we say—The men and women of Pacific Telephone work to make your telephone more useful every day.

Free planning service for homeowners

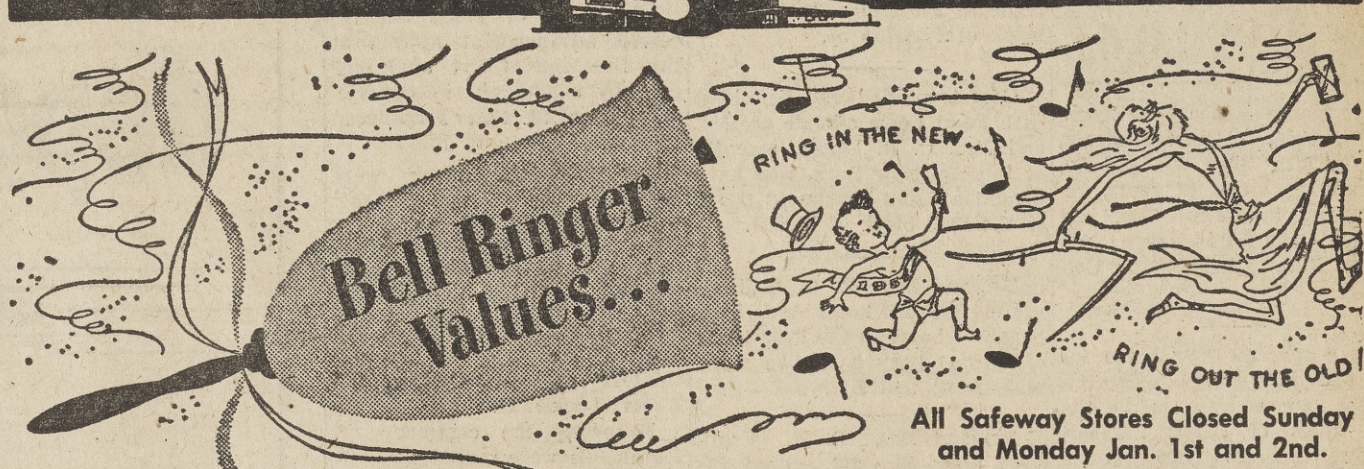

Are you thinking of building or remodeling in '56? If so, we suggest you include up-to-date telephone arrangements in your plans. Concealed wiring and built-in telephone outlets in each of the rooms you use a lot are low-cost features that add much to the "livability" and value of a home. And, of course, to your comfort and convenience as well. We'll be glad to help you with our free telephone planning service. Just call us and ask for "Architects and Builders Service".

Holiday greetings

We at the Telephone Company in San Diego join in hoping that this Holiday Season is indeed a happy one for your family. We've enjoyed helping San Diego grow during the past year and hope we've done the kind of job you like. Here's wishing you a healthy and a prosperous New Year.

Lomaland Hall on the campus will be open for registration from 9 a.m. to 5 p.m. and from 7 to 9 p.m. After Friday, Jan. 6, a late registration fee will be charged. Classes begin Jan. 4.

Toy Collection Proves Success

On Monday evening, Dec. 19th, the Moose Lodge of Ocean Beach ended its annual toy collection campaign very successfully. Captain Schultz and Master Sergeant Gene Freeze of the Marine Corp Reserve, with pretty little Patti Thurman, "Miss Toys for Tots," were presented with more than 2300 toys collected in Ocean Beach.

"Operation Santa Claus," which is sponsored internationally by the Loyal Order of Moose, worked with the Marine Reservists and their Toys for Tots drive. The toys were turned over to the Salvation Army and then repaired and distributed to underprivileged children in the San Diego area.

Reg Mattson, chairman of the local campaign, wishes to extend the deepest thanks of the Moose Lodge to all who gave toys so generously to bring a happy Christmas into the hearts of many children.

A "Ski Hop" formal dinner-dance will be given by Qui Vive Dance Club Friday evening, Dec. 30, at 7 o'clock at Town and Country Club in Mission Valley.

A miniature ski slide, complete with evergreen trees and jewel-clad skiers, will form the focal point of the buffet table. Door prizes and a "Mistletoe Dance" will be among the dance mixers. A no-host cocktail party is planned for 7 o'clock.

Mr. and Mrs. John Knauer, 3750 Oleander Drive, are dance chairmen. Their committee includes Messrs. and Mmes. Glenn Bovee, Robert Exter, Elmer George, John Kearns, Maxwell Nelson and Drew Smith.
